Marriages of convenience are soâ€inconvenient.

Rescued by Calvin McLoughlin from a would-be subway attacker, Holland Bakker pays the brilliant musician back by pulling some of her errand-girl strings and getting him an audition with a big-time musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadwayâ€until he admits his student visa has expired and heâ€™s in the country illegally.

Holland impulsively offers to wed the Irishman to keep him in New York, her growing infatuation a secret only to him. As their relationship evolves from awkward roommates to besotted lovers, Calvin becomes the darling of Broadway. In the middle of the theatrics and the acting-not-acting, what will it take for Holland and Calvin to realise that they both stopped pretending a long time ago?
